Expression of solidarity - The attack on Democracy

Dear friends,

We have followed the attacks on democracy on Capitol Hill yesterday with astonishment and regret.

To obstruct and attack a democratic process in this manner is totally unacceptable and constitutes a danger for peace, people and institutions.

We reiterate the words of the ITUC General Secretary Sharan Borrow; The outgoing government and its political allies have undermined the duty to protect people everywhere.

It is consoling that Republicans and Democrats on the Capitol Hill both locked arms and denounced the violence.

We hope and are convinced that the Biden Administration will set the course for a united USA based on shared values and decency.

Please accept our sincere solidarity and support.

Yours sincerely

LO NORWAY
