Explosion in Beirut

The Norwegian Confederation of Trade Unions (LO Norway) is shocked by the news and horrific explosion in Beirut which left hundreds dead, thousands injured and many families shattered, specially during a time of global pandemic which affected Lebanon deeply.

On behalf of LO Norway and it's 950,000 members, we convey our deepest condolences to the affected families, to FENASOL, as well as to the people of Lebanon.

We wish a speedy recovery to the injured, and strength to Lebanon.

We remain yours in solidarity,

Yours sincerely
LO NORWAY
